Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

J. H. Rogers & Co.'s bonded warehouse contains 5,000 gallons of their own celebrated make of whisky.

Mr. John Rains has bought the brick dwelling in the rear of the South Methodist Church; consideration \$750.

The venerable Mrs. Anne Cullen of West Second street, who has been seriously sick for several weeks is improving.

The steamer Cando plys three days between this city and Vanceburg and the other three she runs through to Portsmouth.

A Mr. Ellis had his hand mashed Saturday while manipulating the rock crusher at the sewer ditch in Commerce street.

Mrs. Anna Blair disposed of a rag carpet by chance Saturday and Miss Mollie Donovan of Fifth street held the lucky number.

L. T. Sharp of Sharpsburg, traveling salesman for M. C. Russell Company, was in the city last night and could not find his business house on account of the big illuminated sign on the Market street side.

Sunday morning a colored man picked up a revolver and a package of cigarettes on the C. and O. track near the toolhouse East of Lime-stone creek. How they got there or who they belong to is not known.

Rev. Davidson, the gospel singer, will give an address to men only next Sunday afternoon. Men, get ready and hear this; it will be a blessing. Subject will be given tomorrow. On the 30th of the month Mr. Atkinson, President of Caldwell College, Danville, will speak to men in one of our Churches.

George A. Guilbert, 67 years of age, who now draws a pension of \$17, was arrested yesterday at Manchester charged with burglarizing Kirschner's hardware store last Tuesday night. The Clinton county bloodhounds went direct to his home on this side of the river when put on the scent last Wednesday morning.

Judge O. S. Deming of Mt. Olivet passed through the city this morning, en route for Supply, Okla., where Mrs. Deming now is and where they will probably spend the winter. And it is not improbable that they will make their future home in that country, in which event Kentucky will be the loser and Oklahoma the gainer. THE LEDGER has no hesitancy in commending the Judge as both lawyer and citizen.

"FLEW THE COOP!"

Strange Conduct of Prospective Business Man For This City

Some four weeks or so ago Mr. Charles Schard of Philadelphia came to this city to seek a location for a confectionery and bakery.

After prospecting he selected the storeroom recently occupied by Henry Rasp in West Second street in the Cooper Building as a desirable place for his business, with three rooms on the upper floor as living apartments.

At considerable expense the premises were remodeled to conform to his wishes, and now that everything has been completed as he desired and ready for occupancy he has failed to make his appearance and it is said he has "flew the coop."

However that may be, Mr. Conrad Hauke attached some chairs that were placed in the building to be used in the dining-room, to liquidate a debt owed Mr. Hauke for painting and papering the rooms.

It can be said for Mr. Schard that he himself paid \$350 for building a big oven for the bakery; that he has ample property in Philadelphia to "make the landlord whole;" and while his actions have been singular, it is thought no one but himself will be the ultimate loser.

It appears to have been a case of "stage fright."

EUCHRED FIGS.

"Euchred" is old English for preserved. Fresh, ripe, California Figs, thoroughly permeated with the spiced, sweet liquid in which they are preserved, are the daintiest, most delicately flavored accompaniment to a dinner imaginable. Include a jar in your next order.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy on hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by all Druggists.

THE LIBERTY BELLES.

The advance sale of seats for Harry B. Smith's charming musical comedy and Radium Ballet will begin Wednesday morning at Ray's and the appearance of this attraction takes place on Friday, October 21st, at The Washington. "The Liberty Belles" has enjoyed a most prosperous career from its first presentation at the Madison Square Theater, New York, where it had a run of almost an entire season until up to the present. It has return dates in all the cities each succeeding year and the theater continues to be packed whenever this attraction comes around. It is frivolous, but frivolity is what amusement seekers want occasionally, provided it is clean and wholesome. There is no horse play, but the comedy is sparkling and entertaining from start to finish.

CLOTHES-ODOGY!

Is the science of Clothes, including knowledge of cloth, handicraft in making, economy of production and artistic originality of design. A technical knowledge of the first three is important, but it is the last that reveals the creative master mind. Hence, gentlemen, our Mackinette and Cravenette Overcoats bearing the mark "R. & W." are so popular with our good dressers they are made under above-named conditions. Young gentlemen, who have never worn one of our Rochester-made Suits, just slip into one; "she'll" see the difference. There is an individuality to them that at a glance distinguishes them from all other makes. Our Shoe business is growing to such proportions that we added the celebrated "Walk-Over" Shoe to our line. Hanan, Douglas and Walk-Over, the three best lines in the country, are now found in our house. Corduroy Suits and Pants are now in order. We have an immense stock of them. Special inducements in Corduroy Pants to merchants. Price ours before you buy them in Cincinnati; we'll save you money. When hunting season begins be sure and get one of our Sweaters.

The big towboat Sprague has just completed repair work which necessitated the removal of the 80-ton wheel shaft and fixings weighing 70 more tons. It was found necessary to dock the big towboat at headwaters to accomplish the task, since all the craneboats afloat were not equal to the task. The immense wheel shaft was successfully removed and replaced by means of hydraulic jacks. As soon as a coal-shipping stage prevails the Sprague will be sent to New Orleans from Pittsburgh with a monster tow of coal.

Active preparations are being made for the coming fall and winter trade. The Ben Hur, instead of running in the Cincinnati-Parkersburg trade, will be transferred to the Upper Ohio in the Parkersburg-Pittsburgh business. The Cincinnati-Louisville trade will have the Avalon, and the Big Kanawha will be put in the Cincinnati-Parkersburg trade. The Greenwood or the Greenland will enter the Pittsburgh-Portsmouth trade. Rivermen say there will be more boats accepting freight to Pittsburgh from Cincinnati this fall than ever before, and competition, both for freight and passengers, will be keen.

BABIES ON FIRE

Instantly Relieved by Baths with Cuticura Soap

And Gentle Applications of Cuticura Ointment.

Instant relief and refreshing sleep for skin-tortured babies, and rest for tired, fretted mothers, in warm baths with Cuticura Soap and gentle anointings with Cuticura Ointment, the great skin cure, and purest of emollients, to be followed in severe cases by mild doses of Cuticura Resolvent.

"My niece's little baby boy, two years old, was so badly afflicted with eczema that he needed constant watching. It was all over his face and he scratched the sores constantly. Mornings his clothes would be stained with blood, and his face and hands would be covered. His family never could take him out, as his face was always full of large sores. They had medical treatment, and tried everything they heard of. She commenced using the Cuticura Remedies last spring and found that at last she had a wonderful healer. The sores left his face and he was entirely cured, and now his face is as smooth and rosy as though no sore had ever been there to mar it."

SHIES AT NEGRO ISSUE

Parker Refuses to Discuss Constitutional Point and Shows His Annoyance.

Said Letter Covered the Issue, but That Reference Does Not Reach the Negro.

[From the New York Tribune, Oct. 4.] This inquiry was made of ex-Judge Parker last night:

"In view of the activity of the Parker Constitution club, do you believe that colored voters should be allowed to enjoy the voting privileges which the federal constitution guarantees them?"

Ex-Judge Parker's reply was: "I cannot answer that question. I refuse to be interviewed, and I won't be interviewed. If you have done me the honor to read my letter of acceptance you will find that that point has been covered."

When squarely faced by the question, "Do you believe that colored voters should be allowed to enjoy the voting privileges which the federal constitution guarantees them?" Judge Parker shows signs of annoyance and refuses to answer. Then he tries to get away from the issue by saying, "If you have done me the honor to read my letter of acceptance you will find that that point has been covered."

Anybody who reads that letter of acceptance will find the point "covered" precisely as Judge Parker covered it in his address in Georgia on the fourteenth amendment, which led the New York Evening Post to declare:

"For him the great bulwark of the suffrage, with the penalties laid down for discrimination against any class in its exercise, simply did not exist. If wholly to avoid the burning question of the day is to show yourself fit for the presidency, then Judge Parker's address should have sensibly advanced his candidacy."

Judge Parker's letter contains nothing that comes within reaching distance of being an unequivocal declaration for the protection of the negro's constitutional rights. He demands their legal rights for citizens in a paragraph which is a bid to the naturalized voters, having evident reference to their treatment in their native lands, and can never be thought of for a moment as referring to the negro, though the judge may perhaps attempt to find cover under it. On the other hand, he has described as "admirable" a platform which denounces even the discussion of plans to safeguard the negro's constitutional rights. Now he does not dare say he stands for them, and no wonder. Gorman, the Maryland nullifier, is here as his campaign director and money raiser. But, in view of this latest act of timidity with respect to the negro and his evident willingness to see the constitution nullified in the south, we once more ask the New York Evening Post if at the bottom of its heart it does not feel about this trimmer as it felt last year at the time of his Georgia speech, when it said of him: "Can a man named as 'our next president' agree to such a 'partial nullification of national laws? If he can, he is not fit to be president next year or any year.'"

PINCHED THE VETERANS.

How the Democrats Economized When They Had a Chance.

[Editorial in the New York Tribune, Oct. 11, 1893.]

The Hon. Hoke Smith, secretary of the Interior, has sent in his estimates for the next fiscal year, ending June 30, 1895, wherein he makes it appear that in his opinion an aggregate of \$178,779,134.26 is needed for the several branches of the public service under his control. He seems somewhat proud of the fact that this is a decrease from last year of \$3,308,496.18, the total then being \$180,087,630.44. But he omits to call public attention to the suggestive fact that he gets all, and more than all of his apparent saving out of the pension bureau. His estimates show a decrease for pensions of \$5,000,000. Further than that, he wants an increase of \$1,000,000 for examining surgeons, \$100,000 for clerk hire and \$300,000 for expenses of investigation. This is a total of \$1,400,000 which he must have in order to cut down the pensions to the extent of \$5,000,000, and the secretary proposes to make the old soldiers pay it all.

Protection and Soup Houses.

[From the St. Louis Globe-Democrat.] "How long will the American people," asks a Democratic paper, speaking of a protective tariff, "tolerate this prolific mother of the trusts?" They will tolerate protection until they want another soup house era of calamity. Meanwhile they will look for the parentage of trusts in a quarter where it will be found. It was claimed that the duty on coal was the cause of monopolistic prices until the duty was removed without in the least reducing the cost of fuel.

The letters of Miss Merkley, whose picture is printed above, and Miss Claussen, prove beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Gradual loss of strength and nerve force told me something was radically wrong with me. I had severe shooting pains through the pelvic organs, cramps and extreme irritation compelled me to seek medical advice. The doctor said that I had ovarian trouble and ulceration, and advised an operation. I strongly objected to this and decided to try Lydia E. Pinkham's Vegetable Compound. I soon found that my judgment was correct, and that all the good things said about this medicine were true, and day by day I felt less pain and increased appetite. The ulceration soon healed, and the other complications disappeared and in eleven weeks I was once more strong and vigorous and perfectly well."

"My heartiest thanks are sent to you for the great good you have done me."—Sincerely yours, Miss MARGARET MERKLEY, 275 Third St., Milwaukee, Wis.

Miss Claussen Saved from a Surgical Operation.

"DEAR MRS. PINKHAM:—It seems to me that all the endorsements that I have read of the value of Lydia E. Pinkham's Compound do not express one-half of the virtue the great medicine really possesses. I know that it saved my life and I want to give the credit where it belongs. I suffered with ovarian trouble for five years, had three operations and spent hundreds of dollars on doctors and medicines but this did not cure me after all."

"However, what doctors and medicines failed to do, Lydia E. Pinkham's Vegetable Compound did. Twenty bottles restored me to perfect health and I feel sure that had I known of its value before, and let the doctors alone, I would have been spared all the pain and expense that fruitless operations cost me. If the women who are suffering, and the doctors do not help them, will try Lydia E. Pinkham's Vegetable Compound, they will not be disappointed with the results."

MISS CLARA M. CLAUSSEN, 1307 Penn St., Kansas City, Mo.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for coughs, colds and croup it is unsurpassed. For sale by all Druggists.

THE GREAT QUESTION IS WHY TRAXEL'S BREAD

And Candies are the best? For the reason that he knows HOW to make them. Other makes of bread would be just as good if made right, but it happens that they do not.

Traxel knows how to make good icecream, too; brick or any kind you want.

IS THIS SO?

Maysville People Can Decide

You would not accept the word of an utter stranger as readily as that of a person whom you knew. The following statement is made by a citizen, perhaps a neighbor. Read it.

Mrs. Mary Kinler of 362 East Fourth street says:

"I sent a box of Doan's Kidney Pills, obtained at J. Jas Wood & Son's Drugstore, corner of West Second and Market streets, to a relative living in the country who was much troubled with kidney complaint. The results obtained from Doan's Kidney Pills show that only terms of highest praise express the great curative properties of the medicine."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
